Next Regular NMWT Meeting:

February 2, 2013

9:00 A.M. to Noon

Jim Preston- Metal Leaf

The application of metal leaf, such as copper, to woodturnings can create dramatic effects. At this month's NMWT's demonstration we will explore a brief history of gilding wooden pieces and I will demonstrate the art of applying metal leaf to turned pieces. Included in the demonstration will be designing and preparing the piece for metal leafing, the use of acrylics to create colorful sub-bases for metal leaf, the use of sizing and metal leaf including resists to create dramatic effects, the use of acids to create vivid colored patinas on the metal leaf, and the finishing steps for protecting and highlighting the patinated metal leaf. A list of resources will be provided for future reference.

Future Programs/ Activities

President's Corner

February 2013, aah, where does the time go? There have been a lot of happenings in the New Mexico Woodturners recently and many ideas are in planning. Your Board of Directors is active in planning and are open to ANY ideas from anyone of how to improve our Chapter. We have approved a budget for 2013 that includes several new activities.

We have sold our old Jet lathes to members and have purchased 5 new Delta midi lathes. We helped 4 estates dispose of tools last year and there are at least 3 known sales coming up. This is a very helpful service for families and a lot of fun for the "tool junkies" among us. Since we are a non-profit organization, all of us should inform our dependents of this service AND consider bequeathing a tool or entire shop of tools to NMWT as a tax write off.

We are working to get possibly 2 professional presenters for this year. Because Jimmy Clewes was such an inspirational presenter 2 years ago we have him committed for March of 2014. Getting on the schedule of these presenters is very difficult, sometimes 2 years in advance.

The next regional woodturning workshop is at Mesa, AZ, February 22-24. Go to www.desertwoodturningroundup.com. There is a great line up of professionals.

Keep the chips flying.

Ron Bahm

Silent Auction

Silent Auction will be held during each NMWT workshop to raise money for a scholarship fund. The earnings from this fund will be used to reduce member's cost of attending hands-on sessions with professional turner-demonstrators at the discretion of the NMWT Board of Directors..

You may place any item that you think will sell in the auction but I plan to bring only items relating to woodworking or woodturning. There will be auction sheets on a table outside the WWS meeting room. Take a sheet, write the name of the item on the sheet and put your item with the sheet. If you want the item to go for a certain amount, put your name and the minimum bid on the sheet. The Auction will be over at the end of the break. Money will be collected for items sold during the last part of the meeting. All money collected will go into the scholarship fund. Items not sold will be returned to the owner and the owner will remove the items from Woodworkers Supply

Demin Shirts/ Smocks

NMWT OFFERS CUSTOM TURNING SMOCKS

After much looking I have finally found a domestic source for a quality turning smock. A picture accompanies this article. The smock design and material are identical to that offered by AAW. The smocks come in five colors: Royal Blue, Navy Blue, Burgundy, Tan and Grey and in seven sizes: S, M, L, XL, XXL, XXXL, XXXXL. The smocks are sized to fit over a shirt so if you wear an L shirt you should order an L smock. AAW sells their smocks online for \$50 plus about \$9 shipping and handling plus \$3 extra for your name (added here). NMWT will charge \$50 per smock with NMWT logo plus \$3 for your name if desired. The price includes sales

Mentors

Members are always welcome to contact the people on the following list for guidance to better turning ideas, and techniques -- Free to members so give a Mentor a call!

New Mexico Wood Turners, Vol. 14, Issue 2
