AAW Symposium – Instant Gallery & Return to the Community

Each registered member may bring and display up to three turnings in the Instant Gallery. The pieces from our chapter will be displayed on a separate Chapter table, so let's have a good showing. These pieces can be for sale, but the sale is between you and the buyer, you need to list a cell phone number on the card so you can be contacted. All pieces can be judged and cash prizes awarded, prize details on the AAW web site.

The Return to the Community (to benefit Holland's Rose) will also be displayed in the Instant Gallery. All of the donated turnings, except toys, will be for sale.

There is no limit on the number of pieces you can donate. Please make a donation to RTTC and bring your friends to see the show and make a purchase.

AAW Symposium – Local Supplier Assistance

Grande River Door of Bernalillo has granted me access to their cut-off pile. As a result I have made practice blocks for Bonnie Klein's sessions of the Youth Program for the AAW Symposium. I bought 8/4 and 4/4 ash at a discount from Albuquerque Hardwoods for the Youth program for instructors Al and Sherry Hockenbery and Larry Miller. Many thanks to these two firms for the help! Tom Cour.

MANZANITA BURLS

Hi, my name is Richard Dennis, Woodturner. I have been turning Manzanita Burls for many years. For those of you who are not familiar with this elegant wood, it is highly figured, displaying a wide spectrum of colors: crimson red, browns, golds ranging from 1" to 24". Northern CA is one of the few places where manzanita forms burls at the base, making it a very distinctive and rare hardwood. Last year a forest fire ripped through our forest and in the process of fighting it, a lot of manzanita was uprooted. Some of the sale proceeds will be going toward reforestation efforts in our local woods in the Spring. We offer choice turning burls, round or pear shaped, tall for candesticks, short, fat, all shapes

and sizes. First time customers are 10% off and we will through in a practice burl at no charge. I have a website that should answer your questions and show you a few pictures
