New Exhibit – Albuquerque International Sunport

The second major exhibit for New Mexico Wood Turners at Albuquerque's International Sunport is now up and running. We have approximately 125 pieces on display and it looks wonderful. Several members of the national AAW Board of Directors, who were here last weekend for a Symposium planning meeting, praised the exhibit as an outstanding example of showing the public just what wood turning has to offer as an art form.

The exhibit will run through March 25th, so you have plenty of time to see it. For those of you unfamiliar with the exhibit space, it's located in the short tunnel between level 1 of the parking garage and the escalators/elevators up to baggage claim and higher floors of the airport.

It's worth a special trip, and you can park in the garage for a limited period of time for only \$1. Tell your friends, as well. The pieces are also for sale by the turners.

Our congratulations to all of our members who placed pieces in this exhibit. Thanks.

Insurance Coverage for AAW Members

This was received from AAW. It's been shortened it for the newsletter. To see the complete write-up, call Rich McCartney and he will send (e-mail) you a copy or go to

AAW's web site at www.woodturner.org, and check on the insurance link.

The AAW has reached an agreement with a national company that specializes in providing health and other insurance to associations such as the AAW. They can now offer most of our U.S. resident members and their families medical insurance policies at very competitive rates through Association Health Programs (AHP) from Overland Park, Kansas. AHP expects to save AAW members substantial amounts on premiums. This may be the biggest benefit of your AAW membership.

They will only use "A" rated insurers such as Humana, Blue Cross, Aetna, United Health Care, Healthnet, or Assurant. In all of these, policy rates and renewals will be based on age and not future medical conditions. Once a policy is issued, our members cannot be cancelled due to any change in their medical condition.

AHP can also offer group policies for any business of three or more employees or officers. AHP can also provide the lowest premium rates on life insurance for term, whole life, second to die, key man, or universal life.

To get an application to receive a quote, either call 1-888-450-3040 or go to www.associationpros.com/assoc/aaw, fill it out, and click submit.

- John Hill, Chair AAW Insurance Advisory Committee

Fee for Club Meeting Programs

With the generous help of Woodworkers Supply we can now offer a program fee of \$100.00 per meeting to the participant(s) who organize and present the program. This is a "thank you" for taking the time and afford to develop and present a program to our general membership. When a professional presents a program the money will be used to help cover their expenses.
