AAW Symposium

Lathe Donations

The NMWT's now have three new Jet midi lathes thanks to donations during the AAW Symposium. We received a variable speed lathe from Packard Woodworks, it was a demo lathe at their booth. We will have Packard catalogs at the Sept meeting so we can send some business their way. We also received two lathes from Jet, they were awarded to youths from foreign countries, so Jet will direct ship to them and gave us the two lathes used at the Youth Turning Program.
