President's Corner

We had a very successful summer picnic and those of you that were not there missed some great bbq AND fellowship.

The New Mexico State Fair is this month so your participation for entries, turning demonstrations, video monitoring and other help is greatly appreciated. This is our time to "shine" for the people of NM to show our skills. Take entries to Creative Arts Building on Sept. 6 and 7.

The next regional turning event is the Rocky Mountain Woodturning Symposium, September 13-15 at the Ranch/Larimer County Fairgrounds, Loveland, Colorado. We have several members that have attended in past so if interested, ask around. Loveland is an easy drive with great accommodations and venue. It is SOON so act fast!

Keep the chips flying!

It Doesn't Take a Geek: Web Help Wanted

NMWT's website is hungry for woodturning news and information.

And FYI, web publishing is much more than the geeky, nerdy, techie stuff. I mean, any monkey can learn to program (no offense to programmers or monkeys), but a website lives by its content -- content that is current, useful, and interesting to its audience. That means you! You are the best reporters and contributors we could want -- no web knowledge needed!

So, send in your tips, quips, ideas, gripes, thoughts, and hard earned wisdom about woodturning, woods, tools, trivia, spouse relations, or whatever. Have a story? An anecdote? Cool photos? Woodturning gossip? Don't keep it to yourself. Share it with the woodturning community.

Send it polished or send it rough. Our extensive editorial staff will get it ready for prime time.

You can look at our site for ideas, but also think "out of the bowl."

Silent Auction

Silent Auction will be held during each NMWT workshop to raise money for a scholarship fund. The earnings from this fund will be used to reduce member's cost of attending hands-on sessions with professional turner-demonstrators at the discretion of the NMWT Board of Directors.

You may place any item that you think will sell in the auction. Bring only items relating to wood-working or woodturning. There will be auction sheets on a table outside the WWS meeting room. Take a sheet, write the name of the item on the sheet and put your item with the sheet. If you want the item to go for a certain amount, put your name and the minimum bid on the sheet. The Auction will be over at the end of the break. Money will be collected for items sold during the last part of the meeting. All money collected will go into the scholarship fund. Items not sold will be returned to the owner and the owner will remove the items from Woodworkers Supply

Wanted – About a year and a half ago, Red
Hollenbach, one of our longtime, if not founding
members, passed away, and his wife Jean held a
sale of his woodworking equipment and tools.
Unfortunately, I didn't hear about the sale in time to
purchase any of Red's equipment or tools.
Red, was the person who gave me and my wife, Jill
our first "lessons". He was such a great teacher
and was always willing to help or answer questions.
I remember going over to his house and taking my
young son, Jay, and Jean baking cookies for Jay.
When Jay was around 14 or so, now 18, Red gave
him his first lesson, as we told Jay that he should
learn from one of the "best".
So, I am writing to ask any of the club members
who did purchase any of Red's tools or equipment,
if they would be willing to sell any of them. I was
fortunate enough to buy a couple tools of Red's
from one member, but my wife and I would like to
have a few more, if possible to remember him by.
If you are interested in parting with any of Red's
stuff, contact me.

Logo Wear Shirts/ Smocks

NMWT OFFERS CUSTOM TURNING SMOCKS

After much looking I have finally found a domestic source for a quality turning smock. A picture accompanies this article. The smock design and material are identical to that offered by AAW. The smocks come in five colors: Royal Blue, Navy Blue, Burgundy, Tan and Grey and in seven sizes: S, M, L, XL, XXL, XXXL, XXXXL. The smocks are sized to fit over a shirt so if you wear an L shirt you should order an L smock. AAW sells their smocks

New Mexico Wood Turners, Vol. 14, Issue 9
online for \$50 plus about \$9 shipping and
handling plus \$3 extra for your name (added
here). NMWT will charge \$50 per smock with
NMWT logo plus \$3 for your name if desired.
The price includes sales tax. The XXXXL size
is \$3 extra and there is no price break for
volume. A company in Colorado is
manufacturing the smocks.

Normally, if you order and pay for an item at

can probably have it in two weeks.

New Policy: Loaning Lathes to NMWT Members

With the recent purchase of new Delta lathes
and sale of older Jet and Delta lathes, the
Board clarified the policy on loaning lathes to
members. One Jet lathe was retained for loan
to members, and more may be obtained as
needed. The new Delta lathes will be used
exclusively for demonstrations, classes, and
workshops.

Summary of New Policy

1. Borrowers must be NMWT members in
good standing.
2. The Equipment Coordinator (currently
John Ellis) is in charge of access, maintenance,
and scheduling.
3. Borrowers must pick up and return
lathes to storage.
4. Loans will be for two months or less, but
may be extended if not requested by another
member.

September 7, 2013

5. Loans will be on a "first come" basis with
waiting list, if necessary.
6. A list of all items loaned and Loan
Conditions must be signed by borrowers at pick-up.
7. Borrowers are responsible for any damages
or loss of borrowed items.
8. Borrowing members must seek instruction
for using the lathes safely.
9. NMWT assumes no liability related to the
use of the lathes.

A copy of the full policy may be obtained from the
Equipment Coordinator.

New Policy: Loaning Lathes to Other AAW-Affiliated Chapters

New Policy: Loaning Lathes to Other AAW- Affiliated Chapters

The Board decided that the Delta lathes purchased
in January may be loaned to other AAW-affiliated
chapters and adopted a policy to facilitate that
process.

Summary of New Policy

1. Use of the loaned equipment is limited to
chapter workshops, demonstrations, or classes, but
may not be for personal use.
2. Equipment will not be loaned when needed
by NMWT.
3. Loaned equipment must be transported to
and from NMWT storage by the borrowing chapter.
4. A list of all items loaned and Loan
Conditions must be signed by the borrower when
picked up.
5. Damages beyond normal wear and tear are
the responsibility of the borrowing club.
6. A "Usage Fee" to offset normal wear and
tear of \$15 per calendar day per lathe will be
charged to the borrowing chapter and must be paid
at pick up.
7. The NMWT Equipment Coordinator is
responsible for scheduling, arranging for pickup
and return, and collection of Usage Fees.

A copy of the full policy may be obtained from the
Equipment Coordinator.
